Jackie Robinson, Brooklyn Dodgers,
by Bob Sandberg, 1954

“A life is not important except in the impact it has on other lives,” Jackie Robinson once said.

The impact Robinson made on Major League Baseball is one that will be forever remembered. On April 15 each season, every team in the majors celebrates Jackie Robinson Day in honor of when he broke the color barrier in baseball, becoming the first African-American player in the 20th century to take the field in the American or National league. He opened the door for many others and will forever be honored for his contribution to the game.

Robinson stood up for equal rights even before he did so in baseball. He was arrested and court martialed while he was serving in the Army for refusing to move to the back of a segregated bus. He was eventually acquitted of the charges and received an honorable discharge. He then started his professional baseball career.
